Regarding the teacher(s) of the first standard, could you mention the following (if the school does not teach first standard, write NR from 'Not Relevant'):

	27. Qualification of the teacher (education)	28. Years of experience?	29. How many days did the teacher spend last month on non-teaching duties?
Teacher 1			
Teacher 2			
Teacher 3			
Teacher 4			

To be answered by the school principal only:

30. Do you consider that the attitude of parents towards the school is 'helpful'?	
31. Did you approach the parents for help last year?	
32. If yes on (31), in how many instances was the parents' response to this request for help positive? Write the answer in percentage. For instance 100% means that in all the cases that the school principal approached the parents, the response was positive. 50% indicates that only in half of the cases the response was positive.	
33. Does the school have parent-teacher association? If yes, since when (year)?	

34. At present, how is the teaching organized in this school? Put a cross in the relevant box and specify if necessary.
