## Special Collections

### The Keep

Your experience of this session is valuable and for this reason we would appreciate your feedback. Your comments will be used to improve the content and delivery of subsequent training sessions here at The Keep.

1. Have you ever visited any archives or Special Collections before? ☒ Yes / ☐ No

2. Please say one thing that you learnt from the session today.

I learnt to think more of the archive in relation to content - branching ideas rather than to think what is obvious

3. What documents did you most enjoy looking at today?

I enjoyed the Ashburn diaries - looking at the daily life from someone that is pre 1800

4. Was there anything you found difficult or didn't understand?

Trying to crack the old school handwriting

5. Is there anything you would recommend or suggest we do, to improve a future session?

A tour around the different parts of the archive

Any other comments:

Thank You
