

1934 June 4 Na'ame to Jamila Afana – affidavit and Anton Karra'a
Bethlehem to Long Beach

Greetings...

We got your letter about the IOU owed by Katherine and we've sent a power of attorney from Anton, we can also make a notarized Power of Attorney. We tell you, sister, concerning our cousin Anton, because the (unreadable) was sentenced for 10 years for killing the man from Beit Sahour, the victim's family are now pressing us because they want their Arab (common law) rights, and they want us to commit ourselves to pay them. We don't have that kind of money. The \$20 really helped - you saved us from a tight spot.

Your cousin Na'ame Karra'a.
