George to Suleiman berating KF – she's a liar

My dear father Suleiman Esquire

I am writing to tell you about my mother, she treats us as (unreadable word) and she took all our clothes and sold them. And she sold her clothes so as to save money.

I can't even get half a piaster (a third of a cent) as she takes it from my grandpa and she takes all the expenses for the school and the books from my grandpa too.

Please talk to her (unreadable) she is always holding a stick and she claims she is sick. Her health is double what it used to be even though she says she is sick she is a liar she moves like a cow I beg you father send us clothes and send money to my grandpa so he can spend it on us.

May God save you,
George Farhat
