

1934 Oct 10 George to Fred and Mary - Jesus bring us together

(from Ramallah)

My dear brother Freddie, may God lengthen his life. As I was swimming in the sea of worries concerning your condition, I received your dear letter, which made me very happy to know that you are in good health. If you ask about our condition, I tell you we are in full health and we miss nothing but seeing the light of your beautiful faces. My dear brother, I ask for our Lord Jesus Christ to end our dispersal soon for He is the all-hearing and all-answering. I hope this will happen at the birthday of our Lord and Savior Jesus Christ (Christmas).

My dear brother, come back to me so we can see each other, and do not extend your exile from us, for we miss you very much. My grandfather, who I hope will be taken by the grave (die), recently had hired the services of someone to prune the olive and fig trees, and the trees by the well (source), and a donkey (unreadable). My grandpa fell. Had it not been for him (the laborer), it would have been very bad.

Come back immediately. Do not be late. May God preserve us for each other. Please give my greetings to my mother, and my father, and my uncle Khalil (Charley) and all members of the family. Greetings to you from the writer of these letters.

Your brother George Suleiman Farhat
