

1937 July 16 Nicholas Sa'ade to Katherine Sa'ade - family returns to Palestine; papers for George

1937 July 16

To our dear sister Catherine:

On June 2nd we left for Tampico. On August 17th our father, mother with Zeina and Khalil Abu Jaradeh will be in France and then they will go back to Palestine on August 25th.

When we arrived in "Tampico", we went to the hot springs and stayed there 8 days. We received your letter, there are a few things you need to know:

- If the boy is not registered in the government files, it will be hard!
- You need a baptism certificate, where the boy was baptized.
- You need to get the school transcripts from all schools he attended.
- When you guys traveled from "New York" [perhaps] to Palestine, the boy was with you during the travel, it would help if you can get some proof that the boy travelled with you to Palestine and stayed with his Grandfather.

Let us know the details so that we can figure out what to do. Everybody sends their regards, say hi to Julia.

Nicolas
