Julia Kabande to Senora Lucero, Emily Senor Simon and Mario thanking them for their help with George's papers.

To my dear friends Mrs. Lucero, Emily, Mr. Simon and Mario, with all my appreciation and fondness. We are all well, thanks be to God.

Forgive me for not writing quickly because I was with my dear Auntie in Long Beach and I only returned here this week.

My mother is very pleased and happy that you will be able to fix the paper in such a short time and easily. She really appreciates it with all her heart. She will never forget the favor you did for us.

Unsigned, but written by Julia Kabande (Katherine's oldest daughter).
